GitHub: github.com/Shruti96v **Mobile**: +91-9131620912

SKILLS

- **Languages**: C/C++, JavaScript, PHP, Java
- **Frameworks & Libraries**: ReactJS, NodeJS, Express, HTML and CSS, TailwindCSS
- **Tools & Platforms**: SQL, MongoDB, Git, GitHub, Figma, Postman
- **Soft Skills**: Time Management, Leadership, Problem-Solving, Adaptability, Quick Learner

PROJECTS

Event Management Platform Mar' 25 – Apr' 25

- Developed an Event Management Platform to streamline event planning, registration, and scheduling with user authentication, notifications, and an intuitive dashboard.
- Integrated a MySQL database for secure storage and real-time retrieval of past records and added an admin dashboard for admin to analyze generate automated progress reports.
- Built an admin dashboard with automated reports and notifications, resulting in 60% reduction in manual coordination and improved operational efficiency.
  Tech stack: HTML, JavaScript, Tailwind CSS, CSS, PHP, MySQL

Banking Management System Jun' 24 – Jul' 24

- Implemented a banking management system using Python, connecting to a MySQL database for data storage and retrieval.
- Enhanced the system with core functionalities such as creating new accounts, managing deposits and withdrawals, and checking account balances.
- Ensured end-to-end data integrity and reliable database updates, resulting in **f**aster transaction processing and error-free record management.
  Tech stack: Python, MySQL, PHP, HTML, CSS

TRAINING

CSE Pathshala – C++ Programming: OOPs and DSA | LINK Jun' 25 – Jul' 25

- Constructed a Student Academic Tracker using C++ with Object-Oriented Programming (classes, inheritance, polymorphism, and file handling) to manage and analyze student performance data.
- Gained hands-on experience in Data Structures and Algorithms (DSA) and applied arrays, linked lists, stacks, queues, trees, and sorting/searching algorithms to optimize the performance and scalability of the system.
- Implemented modular and optimized code structure, resulting in faster data processing, improved accuracy, and easy system maintenance.

CERTIFICATES

- Java Programming – iamneo | LINK May' 25
- Data Structures and Algorithm – iamneo | LINK Dec' 24
- Peer-to-Peer Protocols and Local Area Network – Coursera | LINK Nov' 24
- Bits and Bytes of Computer Networking – Coursera | LINK Sep' 24
- Python for Begineers – Simplilearn | LINK Feb' 24
- Responsive Web Design – FreeCodeCamp | LINK Oct' 23

ACHIEVEMENTS

- Founder and operated Motirra , a handcrafted scented candle business , handling branding , product creation , marketing , and customer service independently . Oct' 25
- Volunteered with an NGO in plantation drives, cleanliness awareness campaigns, school visits, and outreach to sanitation workers—supporting them by distributing essential items. Jun' 24

EDUCATION

Lovely Professional University Phagwara,Punjab
Bachelor of Technology - Computer Science and Engineering Aug' 23 – Present

DAV Kansabel Jashpur, Chhattisgarh
Intermediate; Percentage: 76.8% Apr' 21– Mar'22

BEMS Kansabel Jashpur, Chhattisgarh
Matriculation; Percentage: 92% Apr' 19 – Mar' 20
